Applications are dated as they are received! Priority registration ends January 15th, for those past and current families of A Child's Garden. New registrations are also accepted and dated as they are received. They will be put into classes Jan 15th. All applications received after Jan. 15th will be put into classes as they are received.

Requests will be honored **whenever possible**. **The director reserves the right to make age and developmentally appropriate placements.**

IMPORTANT TO NOTE: All of the 4 year old classes are Pre-K. The Pre-K 5 classes are for those children who have already been through our 4 year old class and are having the extra year of preschool before Kindergarten, or for those children who will turn 5 before December '17. Priority will be given to these children first before any requests for younger 4 year olds will be considered. The only exception to this is in the 5 day Pre-K where the children **MUST** be 5 by June 1st, 2018. If you would like your younger children to come 5 days, then the choices would be to register for a M-W F class and a T-Th class...either with the same teacher, or with different teachers. The cost would be the same as the 5 day.
